I 'LL BE SEEING YOU

Cathedral bells were tolling
And our hearts sang on,
Was it the spell of springtime
Or the summer's dawn?

Who knows, if we shall meet again?
But when the burning shins ring sweet again:

I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day thru.

In that small cafe,
The park across the way,
The children's carousel,
The chestnut trees,
The wishing well.

I'll be seeing you
In every lovely summer's day,
In everything that's light and gay,
I'll always think of you that way.

I'll find you in the burning sun,
And when the night is new,
I'll be looking at the moon
But I'll be seeing you.

YOU'LL NEVER WALK ALONE

When you walk through a storm,
Hold your head up high
And don't be afraid of the dark,
At the end of the storm is a golden sky
And the sweet silver song of a lark.

Walk on through the wind,
Walk on through the rain,
Tho' your dreams be tossed and blown.
Walk on, Walk on,
With hope in your hearts,
And you'll never walk alone,
You'll never walk alone.

ALMA MATER

Let my voice in joyous song
Praise thy graces, Druid Hills!
Let my life, if short or long,
Show thy traces, Druid Hills!
Let my life reflect thy glory,
Let my life repeat thy story,
Growing thee with more renown,
Growing thee with more renown.

Join my voice and soul and heart
All who love thee Druid Hills
So that e'en when we part
Spirit of thee, Druid Hills
Binds us brother as to brother,
Binds us closely to each other,
Hail to thee, O Druid Hills!
Hail to thee, O Druid Hills!

MY BUDDY

Life is a book that we study,
Some of its leaves bring a sigh;
There it was written by Buddy
That we must part, you and I.

Nights are long since you went away,
I think about you all thru the day
My Buddy, My Buddy
No Buddy quite so true.
Miss your voice, the touch of your hand,
Just long to know that you understand
My Buddy, My Buddy
Your Buddy misses you.

Buddies thru all of the gay days
Buddies when something went wrong,
I wait alone thru the gray days
Missing your smile and your song.

Nights are long since you went away,
I think about you all thru the day
My Buddy, My Buddy
No Buddy quite so true.
Miss your voice, the touch of your hand,
Just long to know that you understand
My Buddy, My Buddy
Your Buddy misses you.
